OFFICE OF THE COMPILER, MYSORE GAZETTE.

NOTICE.

1. The *Mysore Gazette* is published at Bangalore every Thursday. Matter for publication in the Gazette is often sent late to the Press. This involves considerable inconvenience to the Press and expense to Government. All matter intended for publication in Parts II, III, IV, V and VI should therefore reach this office not later than Tuesday evening, and that for Part I not later than the forenoon of Wednesday, for the following Thursday's issue of the Gazette.

2. Spare copies of notifications, etc., are often asked for long after their publication, when the matter has been broken up, necessitating its resetting and thereby causing inconvenience to the Press and waste of money. When spare copies are wanted, a note to that effect, stating the number of copies, should be made at foot of such manuscript.

3. If no instructions accompany any matter, it will be published only once.

4. Applications for the supply of the Gazette on *Public Service* should be made to the Chief Secretary to the Government of Mysore.

5. Under Government Proceedings No. G. 622-32—G. M. 74-10-36, dated 27th July 1911, and Government Proceedings No. G 4914-23—G. M. 46-11-36, dated 18th March 1912, the English or the Kanarese portion of the *Mysore Gazette* will be supplied to Shanbhogs, Patels, Nad Patels and Shekdars within the Province at *half* rates on production of a certificate from the Amildar of the taluk to the effect that such applicant is *bona fide* on duty at the time.

6. Under Government Proceedings No. 2633-41—Mis. 558, dated 21st August 1900, the English or the Kanarese portions of the *Mysore Gazette* will be supplied at *half* rates to the members of the Mysore Representative Assembly during their tenure of office as such members.

7. All subscriptions and advertisement charges are payable *in advance*.

8. As Government Treasuries in Mysore are authorized to receive and credit Gazette subscriptions as well as publication charges remitted by Courts or private parties, all such moneys should be sent to Treasuries and only Treasury receipts forwarded to this office. No money orders or cash will be received by the undersigned except from parties outside the Province.

9. Much inconvenience is caused to this office by subscribers omitting to give their full and correct addresses and writing illegibly on the money order coupons.

10. Communications on post cards or on paper less than half a sheet of foolscap, will not receive attention; and no communication should be sent on Government Service by private parties.

11. An efficient system of check and counter-check is maintained over the despatch of Gazette copies forwarded through post. Duplicates cannot be supplied in any case of non-delivery.

12. Complaints regarding non-receipt of the Gazette should be forwarded to the undersigned within a week after the date on which it is due.

Financial Secretary to Government.

No. Fl. 5102—G. F. 84-16-2, dated 7th March 1917.

Government are pleased to notify for the information of the public that the facilities afforded to effect purchases and sales of securities appertaining to the Mysore State Loan of 1906-07 are extended to the following debentures :—

1. Kolar District Railway.
2. Chitaldrug District Board Railway.
3. Shimoga District Board Railway.
4. Chitaldrug Town Water-supply.

2. Intending purchasers and sellers of all these debentures may apply to the Assistant Comptroller in charge of the State Huzur Treasury, Bangalore.

3. The same conditions and procedure as are applicable to the transactions relating to Government Securities, laid down in Government Order No. Fl. 878-923—G. F. 491-11-2, dated 20th August 1912, reproduced below, will apply in their entirety to the sale and purchase transactions of all these Debentures.

4. Deputy Commissioners are requested to arrange for English and Kannada copies of this notification being posted in all District and Taluk Treasuries.

By Order,

Proceedings of the Government of His Highness the Maharaja of Mysore.

NO. FL. 878-923—G. F. 491-11-2, DATED BANGALORE, 20TH AUGUST 1912.

ORDER.—As there is reason to believe that sufficient facilities do not exist for bringing together persons wishing to sell and those wishing to purchase the securities appertaining to the State Loan of 1906-07, the Government are pleased to direct that the Comptroller should arrange to keep in the State Huzur Treasury a register in which should be noted all particulars including value, rate, etc., relating to the intended purchase or sale of the Mysore State Securities by any member of the public. Any one willing to purchase or sell such securities should communicate his desire to the Comptroller in the State Huzur Treasury Department with all necessary particulars whereon the necessary entries in the register aforesaid should be made. When the Comptroller finds from the entries in the register that he can accommodate an intending buyer and an intending seller, he will ask the buyer if he is willing to purchase the securities required at the rate fixed by the seller. The name and address of the seller and a brief account of his title to the paper obtained from him will also be furnished to the buyer. If he agrees and pays into the nearest treasury an amount sufficient to cover cost, interest accrued and commission, the seller will be requested to effect a suitable endorsement on the security and transmit it to the State Huzur Treasury. The security will then be transmitted to the buyer through the local treasury and the buyer will take delivery of it after examining the paper and scrutinizing the endorsements so as to be satisfied about the title. The money will afterwards be made payable to the seller from any treasury in the State according to his convenience.

2. If in any case the buyer does not take delivery of the paper, the purchase money will be refunded to him but the commission will be forfeited. The security will, in that case, be returned to the owner and the paper will be renewed, if required by him without any fee. As the Comptroller's Office will always have full information about papers and loss of which by theft, etc., will have been notified, there will be no chance of such papers passing through the State Huzur Treasury and cases of intending buyers not taking delivery of the papers must be very rare.

3 The accrued interest from the beginning of the half-year up to the date of deposit of money by the buyer will be added to the buyer to the value of the security. He will therefore, get interest on his money from the next day. The seller will have to lose interest for a few days till the sale money is actually paid to him from the treasury named by him. Against this, however, there will be the free transfer of money from one place to another.

4. A commission of $\frac{1}{16}$ per cent will be charged to the seller by the Comptroller and a similar commission to the buyer, both calculated on the face value of the security. The commission will be paid by the buyer along with the purchase money and the commission payable by the seller will be deducted by the Comptroller before the sale money is paid to the seller.

5. The rates of discount or premium at which transactions will be effected will depend on the rates at which buyers and sellers will come to agreement. Naturally sellers who offer to sell at the lowest rate will be able to sell first and similarly buyers who want to buy at the highest rate will get through their transactions most expeditiously.

J. S. CHAKRAVARTI,
Financial Secretary.

RAILWAYS.

Notice dated 5th October 1918

The public are hereby informed that owing to the abnormal conditions that exist at present, it will not be possible this year to provide as much accommodation as was provided during past years for the passengers going to Mysore for Dasara. It is probable that in addition to the regular passenger train service on the Mysore-Bangalore section not more than two extra passenger trains can be run each way daily during the Dasara festivities.

As the accommodation in these trains will be limited there is every possibility, if passengers offer in larger numbers than the trains can accommodate, that they will suffer great inconvenience and disappointment.

Further the intending passengers are advised to have the accommodation booked as much in advance as possible to save any disappointment.

By Order,

D. G. DANI,

Secretary for Railways, Government of Mysore.

"11. The cost of all analyses made under these rules shall be borne by Government."

2. Substitute the following for condition 2 of the license for the sale of Methylated Spirit —

But the issue of licenses to persons licensed to sell liquor for consumption on the premises is prohibited.

4(*a*) Chemists and others requiring caoutchoucined spirit for use in their business, but not for sale, will be given special licenses (M. If, however, the Chemical Examiner's report is to the effect that the materials are suitable for use in methylation, the officer will cause them to be removed into and to be secured in the Distillery Warehouse, and at the same time enter them in the register (M. FINANCIAL.

No. Fl. 5102—G. F. 84-16-2, dated 7th March 1917

Government are pleased to notify for the information of the public that the facilities afforded to effect purchases and sales of securities appertaining to the Mysore State Loan of 1906-07 are extended to the following debentures:—

1. Kolar District Railway.
2. Chitaldrug District Board Railway.
3. Shimoga District Board Railway.
4. Chitaldrug Town Water-supply.

2. Intending purchasers and sellers of all these debentures may apply to the Assistant Comptroller in charge of the State Huzur Treasury, Bangalore.

3. The same conditions and procedure as are applicable to the transactions relating to Government Securities, laid down in Government Order No. Fl. 878-923—G. F. 491-11-2, dated 20th August 1912, reproduced below, will apply in their entirety to the sale and purchase transactions of all these Debentures.

4. Deputy Commissioners are requested to arrange for English and Kannada copies of this notification being posted in all District and Taluk Treasuries.

By Order,
J. S. CHAKRAVARTI.

Proceedings of the Government of His Highness the Maharaja of Mysore.

No. FL. 878-923—G. F. 491-11-2, DATED BANGALORE, 20TH AUGUST 1912.

ORDER.—As there is reason to believe that sufficient facilities do not exist for bringing together persons wishing to sell and those wishing to purchase the securities appertaining to the State Loan of 1906-07, the Government are pleased to direct that the Comptroller should arrange to keep in the State Huzur Treasury a register in which should be noted all particulars including value, rate, etc., relating to the intended purchase or sale of the Mysore State Securities by any member of the public. Any one willing to purchase or sell such securities should communicate his desire to the Comptroller in the State Huzur Treasury Department with all necessary particulars whereon the necessary entries in the register aforesaid should be made. When the Comptroller finds from the entries in the register that he can accommodate an intending buyer and an intending seller, he will ask the buyer if he is willing to purchase the securities required at the rate fixed by the seller. The name and address of the seller and a brief account of his title to the paper obtained from him will also be furnished to the buyer. If he agrees and pays into the nearest treasury an amount sufficient to cover cost, interest accrued and commission, the seller will be requested to effect a suitable endorsement on the security and transmit it to the State Huzur Treasury. The security will then be transmitted to the buyer through the local treasury and the buyer will take delivery of it after examining the paper and scrutinizing the endorsements so as to be satisfied about the title. The money will afterwards be made payable to the seller from any treasury in the State according to his convenience.

2. If in any case the buyer does not take delivery of the paper, the purchase money will be refunded to him but the commission will be forfeited. The security will, in that case, be returned to the owner and the paper will be renewed, if required by him without any fee. As the Comptroller's Office will always have full information about papers and loss of which by theft, etc., will have been notified, there will be no chance of such papers passing through the State Huzur Treasury and cases of intending buyers not taking delivery of the papers must be very rare.

3. The accrued interest from the beginning of the half-year up to the date of deposit of money by the buyer will be added to the buyer to the value of the security. He will therefore, get interest on his money from the next day. The seller will have to lose interest for a few days till the sale money is actually paid to him from the treasury named by him. Against this, however, there will be the free transfer of money from one place to another.

4. A commission of $\frac{1}{16}$ per cent will be charged to the seller by the Comptroller and a similar commission to the buyer, both calculated on the face value of the security. The commission will be paid by the buyer along with the purchase money and the commission payable by the seller will be deducted by the Comptroller before the sale money is paid to the seller.

5. The rates of discount or premium at which transactions will be effected will depend on the rates at which buyers and sellers will come to agreement. Naturally sellers who offer to sell at the lowest rate will be able to sell first and similarly buyers who want to buy at the highest rate will get through their transactions most expeditiously.

J. S. CHAKRAVARTI,
Financial Secretary.

PARDON FOR DESERTERS.

No 2404—His Imperial Majesty the King-Emperor has been graciously pleased to approve of pardons being granted to all persons subject to the Indian Army Act, who were in a state of desertion or were absent without leave on the date of the issue of this notification and who surrender themselves at any place in or out of India where there are regular troops on or before the 1st day of January 1919.

2. The provisions of this notification will not apply to men who have deserted whilst on field service and to men who, subsequent to desertion, have enrolled themselves improperly in the same or any other corps or department.

3. This general amnesty to deserters and to persons who are absent without leave is final.

4. Men who have deserted or become absent without leave before the introduction of an enrolment bonus and who now surrender themselves before the 1st January 1919 will not be eligible for this bonus. They will, however, if recruits, be considered eligible for the training bonus sanctioned in Army Instruction (India) No. 893 of 1918, on passing the recruits' course.

5. Men who desert or become absent without leave after the date of the issue of this notification, and men who deserted or became absent without leave before the issue of this notification, and who do not avail themselves of this amnesty before the date prescribed in paragraph 1 of this notification, will, on apprehension, or on surrendering if retained in the service, be ineligible to receive any enrolment, training or war bonus [Army Instruction (India) No 893 of 1918] to which they would otherwise have been entitled, except as may be directed by the Brigade Commander on the recommendation of their Commanding Officer.

No. 2405.—The following Proclamation by His Excellency the Governor-General, dated the 8th October 1918, is published for general information:—

PROCLAMATION.

WHEREAS His Imperial Majesty the King-Emperor has been graciously pleased to grant on certain conditions His Imperial pardon to all persons subject to the Indian Army Act, who, on the 11th October 1918, were in a state of desertion or absence without leave, excluding such persons as have deserted whilst on field service and such persons as after desertion have enrolled themselves improperly in the same or any other corps or department;

AND WHEREAS, it is expedient that a pardon should likewise be granted to all persons subject to the Indian Army Act, 1911, who have been convicted, by Court-Martial held in

Now, therefore, I, Frederic John Napier, *Baron* Chelmsford, P.C., G.M.S.I., G.C.M.G., G.M.I.E., G.B.E., Viceroy and Governor-General of India, in exercise of the prerogative of pardon delegated to me by His Imperial Majesty the King-Emperor, do hereby pardon such persons and remit the unexpired portions of the sentences of transportation or imprisonment now being undergone by such persons subject to the condition that they at once re-enter military service on the same terms as those on which they were originally enrolled.

GIVEN under my hand and seal at Simla this eighth day of October one thousand nine hundred and eighteen.

CHELMSFORD,
Viceroy and Governor-General of India.

2. The Commander-in-Chief directs that this order be republished in all Divisional Brigade and regimental orders and be read on parade once a week for a month. All ranks should be instructed that it is their duty to give this order the fullest publicity especially by means of letters to their homes.

H. HUDSON, *Lieut.-General,*
Adjutant-General in India.

The terms of this pardon do not apply to Gurkhas, who have taken deserted and who have taken refuge in Nepal.

Memorandum No. 57960-1 (A.G.-9), dated the 14th October 1918, from the Adjutant-General in India to the General Officers Commanding, Commands, Divisions and Independent Brigades.

Reference.—Special India Army Order No. 29-S., dated the 12th October 1918. Pardon for deserters other than those convicted and undergoing sentence.

As soon as possible after the 1st January 1919, Officers Commanding all Indian units and depots will render a return to Divisional and Independent Brigade Headquarters showing, by classes and units, the numbers of deserters and illegal absentees, who have surrendered under the terms of the pardon.

These statistics will be tabulated by General Officers Commanding, Divisions and Independent Brigades, and a combined statement for the Division or Brigade submitted to Army Headquarters.

2. Meanwhile Officers Commanding units and depots will use every endeavour to make the terms of the pardon as widely known as possible. In this connection men should be encouraged to mention the matter in letters to their relatives and friends. Recruiting parties and leave men should also be instructed to make known the terms of the pardon in all the villages and towns, which they visit.

3. Men who surrender themselves under the terms of the pardon will not be required to re-enrol but should be held to serve on their original enrolment.

4. Paragraphs 1029-B and 1031 (n), Army Regulations, India, Volume I, regarding the forfeiture and restoration of service rendered prior to desertion, will apply to the cases of all persons availing themselves of the pardon.

5. Although the terms of the pardon are applicable to Trans-Frontier Pathans, it is not desired that these classes should be required to serve after surrender. They should, therefore, be discharged under item (xviii) of the table attached to Rule 13, Indian Army Act Rules, and be furnished with a formal certificate of discharge.

There will also be certain men of other classes, who will not be suitable for retention in the service. They should be dealt with similarly and be furnished with discharge certificates.

FINANCIAL.

No. Fl. 5102—G. F. 84-16-2, dated 7th March 1917.

Government are pleased to notify for the information of the public that the facilities afforded to effect purchases and sales of securities appertaining to the Mysore State Loan of 1906-07 are extended to the following debentures:—

1. Kolar District Railway.
2. Chitaldrug District Board Railway.
3. Shimoga District Board Railway.
4. Chitaldrug Town Water-supply.

2. Intending purchasers and sellers of all these debentures may apply to the Assistant Comptroller in charge of the State Huzur Treasury, Bangalore.

3. The same conditions and procedure as are applicable to the transactions relating to Government Securities, laid down in Government Order No. Fl. 878-923—G. F. 491-11-2, dated 20th August 1912, reproduced below, will apply in their entirety to the sale and purchase transactions of all these Debentures.

4. Deputy Commissioners are requested to arrange for English and Kannada copies of this notification being posted in all District and Taluk Treasuries.

By Order,
J. S. CHAKRAVARTI,
Financial Secretary.

Proceedings of the Government of His Highness the Maharaja of Mysore.

NO. FL. 878-923—G. F. 491-11-2, DATED BANGALORE, 20TH AUGUST 1912.

ORDER.—As there is reason to believe that sufficient facilities do not exist for bringing together persons wishing to sell and those wishing to purchase the securities appertaining to the State Loan of 1906-07, the Government are pleased to direct that the Comptroller should arrange to keep in the State Huzur Treasury a register in which should be noted all particulars including value, rate, etc., relating to the intended purchase or sale of the Mysore State Securities by any member of the public. Any one willing to purchase or sell such securities should communicate his desire to the Comptroller in the State Huzur Treasury Department with all necessary particulars whereon the necessary entries in the register aforesaid should be made. When the Comptroller finds from the entries in the register that he can accommodate an intending buyer and an intending seller, he will ask the buyer if he is willing to purchase the securities required at the rate fixed by the seller. The name and address of the seller and a brief account of his title to the paper obtained from him will also be furnished to the buyer. If he agrees and pays into the nearest treasury an amount sufficient to cover cost, interest accrued and commission, the seller will be requested to effect a suitable endorsement on the security and transmit it to the State Huzur Treasury. The security will then be transmitted to the buyer through the local treasury and the buyer will take delivery of it after examining the paper and scrutinizing the endorsements so as to be satisfied about the title. The money will afterwards be made payable to the seller from any treasury in the State according to his convenience.

2. If in any case the buyer does not take delivery of the paper, the purchase money will be refunded to him but the commission will be forfeited. The security will, in that case, be returned to the owner and the paper will be renewed, if required by him without any fee. As the Comptroller's Office will always have full information about papers and loss of which by theft, etc., will have been notified, there will be no chance of such papers passing through the State Huzur Treasury and cases of intending buyers not taking delivery of the papers must be very rare.

3. The accrued interest from the beginning of the half-year up to the date of deposit of money by the buyer will be added to the buyer to the value of the security. He will therefore, get interest on his money from the next day. The seller will have to lose interest for a few days till the sale money is actually paid to him from the treasury named by him. Against this, however, there will be the free transfer of money from one place to another.

4. A commission of $\frac{1}{16}$ per cent will be charged to the seller by the Comptroller and a similar commission to the buyer, both calculated on the face value of the security. The commission will be paid by the buyer along with the purchase money and the commission payable by the seller will be deducted by the Comptroller before the sale money is paid to the seller.

5. The rates of discount or premium at which transactions will be effected will depend on the rates at which buyers and sellers will come to agreement. Naturally sellers who offer to sell at the lowest rate will be able to sell first and similarly buyers who want to buy at the highest rate will get through their transactions most expeditiously.

J. S. CHAKRAVARTI,
Financial Secretary.

Compiler, Mysore Gazette

Message from His Highness the Maharaja to His Subjects.

I desire on this day of universal rejoicing to address a special message to my beloved people in Mysore.

We are celebrating to-day the complete and glorious victory which Great Britain and her Allies have won under a Divine Providence against a powerful and ruthless foe whose avowed object was to crush the liberty of Europe under the heel of a Military autocracy. I ask you to join in the rejoicing of the whole British Empire over the triumph of the sacred cause of freedom and justice.

His Gracious Majesty the King Emperor and His Illustrious Consort who have set, throughout the war, a magnificent example of courage, sympathy and patriotism to all their subjects should be specially in our thoughts to-day.

At this time when my people are saddened by the terrible ravages of sickness, their hearts may well turn in deepest sympathy to the many thousands of sorrowing parents, wives and children whom the war has bereaved. May they be consoled by the thought that the sacrifice which their dead heroes offered for their country was not made in vain, and that "their name liveth for ever more."

We should always remember with admiration and gratitude the heroism and endurance displayed throughout the war by the sailors and soldiers of the British Empire, and we may reflect with special pride that India has played a noble part in the great struggle on almost every front, and has sent her sons in thousands to fight and die as brothers in arms, with the soldiers of Great Britain and her Allies. I am proud to think that our own Mysore Troops played their part, however small, with gallantry and distinction, and have helped to cement the bond of affection and gratitude which has, for over a century, united Mysore to the British Government perhaps more closely than any other Indian State.

Let us all earnestly pray that the cessation of hostilities which we celebrate to-day, may be the fore-runner of a just and abiding peace, and of an era of prosperity and happiness throughout the world.

Seal.

KRISHNARAJA WADIYAR.

NOTICE AS TO PRODUCTION OF NUMBERS OF IMPORT LICENSE.

NEW TRADE BOARD RULE.

MUST BE OBTAINED ON ALL COMMODITIES BEFORE THEY LEAVE FOREIGN PORTS.

Expected the order will avoid uncertainty on form of procedure.

The War Trade Board issues the following:—

The War Trade Board, through its Bureau of Imports has issued a ruling to United States consular agents throughout the world, that on and after May 27th, 1918, no consular invoices for any commodity are to be consulated unless the shipper furnishes the Consul the number of the United States import license covering the shipment. The only exception to this rule is the case of shipments covered by general import licenses.

Extends present regulations.

Already it is necessary for importers to communicate to their shippers abroad the number of the United States import license for articles on the restricted lists before consular invoice can be obtained and shipments started from abroad. The present ruling extends this regulation to all articles, both restricted and unrestricted, except such as are covered by general import licenses. This means that import licenses must be obtained for the importation of all commodities before they leave foreign ports. It is believed that this will avoid much uncertainty in the minds of both importers here and consular agents abroad as to what import license numbers must be communicated abroad. It will also give the War Trade Board an opportunity of passing upon all importations from a standpoint of enemy trade connection before shipments are put in transit.

Prompt action on applications.

The Bureau of Imports will pass promptly on all applications for import licenses, so that, if the license is granted, the importer may be informed immediately of his license number and send it by mail or cable to his shipper abroad.

As intimated above, certain classes of importations are permitted to enter under general import licenses; and where these licenses exist it is unnecessary for importers to apply for individual import licenses. These general licenses are designated as "PBF Licenses." The principal ones now in effect are the following:—

"PBF-1."—Covering the importation of all commodities not on the restricted lists, where the value does not exceed one hundred dollars (100).

"PBF-2."—Covering all importations into Alaska, Canal Zone, Phillippine Islands, Hawaii, Guam, Totuila, Porto Rico, Virgin Islands, when they are for consumption in those countries and not for transhipment.

"PBF-3."—Covering the importation of all commodities from Canada and Newfoundland, except those mentioned in the President's import proclamation of November 28, 1917. Where such commodities are on the restricted lists, this general license covers them only when shipped by rail or lake, and when they originate in Canada or Newfoundland or in a country from which they would be licensed for importation directly.

"PBF-4."—Covering the importation of fresh fruits and fresh vegetables, when transported overland from Mexico, or overland or by great Lakes from Canada, or by rail from Cuba.

"PBF 5."—Covering the importation of goods previously exported from the United States, when the value thereof does not exceed five hundred dollars ($500).

"PBF 6."—Covering the importation of personal baggage accompanying a passenger when containing only articles necessary for personal use on journey.

"PBF 7."—Covering the importation of fresh vegetables from Bermuda when shipped on vessels approved by the War Trade Board.

"PBF 8."—Covering the importation of fresh fruit and vegetables from Cuba when shipped on vessels approved by the War Trade Board.

"PBF 9."—Covering importations of all empty drums, cylinders and containers American owned, which have been used in the exportation of commodities from the United States.

"PBF 10."—Covering the importation of tobacco from Cuba and the West Indies.

"PBF 11."—Covering the importation of cotton from Mexico.

Consuls Abroad Informed.

Consuls abroad have been informed of the existence of these general import licenses, and they will certify consular invoices for shipments coming under them without requiring the number of the individual import license.

Notice No. W.T.B.R.-114, dated the 17th May 1918, regarding Revocation of small shipment Import license.

The General License heretofore issued covering the importation of all commodities under $100 value is hereby revoked as to all articles on Restricted Lists or any Supplements thereto, as to shipments made after May 10, 1918. The General License covering the importation of all commodities under $100 value is still effective as to the importation of commodities not on Restricted Lists or any Supplements thereto.
